SINGLE SERVE MICROWAVEABLE/OVEN-ABLE TRAYS

Simple solutions for difficult purees!

Café Puree® single serve specialty products are designed to provide your facility maximum versatility, ease of use and help reduce your labor costs.

Café Puree is made with real food while providing the consistency needed for texture modified diets.

No MSG or egg filler or mechanically separated meat. We use great ingredients and have visually appealing shapes to create a range of appetizing purees which deliver the look, taste and aroma to maximize patient consumption. Café Puree Specialties allows you to serve products that are typically the most difficult to puree or have never been available before.
